

AMERICAN HURRICANE SCREEN

COMPANY BIO

AH Screens is a Florida-based manufacturer with a mission to protect coastal communities through advanced hurricane-rated security screens. Backed by years of engineering expertise, our patented stainless steel mesh system has passed Category 5 hurricane impact tests and meets Florida Building Code standards. We provide high-performance, dual-purpose protection—storm defense and burglary resistance—for both residential and commercial applications.

CORE COMPETENCIES

- ★ **Patented Hurricane-Resistant Screen System:** Engineered for severe weather protection.
- ★ **Category 5 Impact Certified:** Fully compliant with Florida Building Code requirements.
- ★ **High-Durability Materials:** Stainless steel mesh and aluminum framing for strength and longevity.
- ★ **Low-Maintenance Design:** Easy to install, operate manually, and requires minimal upkeep.
- ★ **Custom Fit Options:** Tailored solutions for residential and commercial properties.
- ★ **Versatile Use:** Ideal for new builds, remodeling, and retrofits.
- ★ **Emergency Egress Functionality:** Can be opened from the inside at any time, but remains securely locked from the outside.

DIFFERENTIATORS

- ✓ Patented technology not available in standard market solutions.
- ✓ Dual-purpose protection: certified storm safety and built-in burglary defense.
- ✓ Florida-based manufacturing with a focus on coastal resilience.
- ✓ Custom sizing and engineering for unique project requirements.
- ✓ Committed to innovation, safety, and local job creation.
- ✓ Designed for emergency egress from the inside, while remaining impenetrable from the outside.
